

Your SUCCESS Our SUPPORT

2025-2026

Berkeley College®

Your **potential** is our **promise®**.

Your potential

For 95 years, Berkeley College has remained at the forefront of career-focused education, evolving our programs, technology, and support services to reflect the demands of professional markets to prepare our students to reach their full potential.

is our promise.

Your dreams. Our dedication.

Everything we do at Berkeley College is focused on helping you achieve professional and personal success. From your very first inquiry through graduation and beyond, we'll be there to help throughout every step of your journey. At Berkeley College, the student always comes first.

Your future. Our flexibility.

Maximum flexibility makes it easy to balance a world-class, career-focused education with even the most hectic personal and professional schedule. You can study full- or part-time, on campus, online, or through a blend of both—all with the support and guidance for which Berkeley College is known. Some degree programs offer concentrated seven-week course options that allow you to focus on fewer courses at any given time.

With a full course load and continuous enrollment, you can earn:

- An **Associate's degree** in as quickly as **16 months**
- A **Bachelor's degree** in as few as **three years**
- Both a **Bachelor's degree** and an **MBA** in as little as **four years**

Shorter-term certificate and Continuing Education programs are also available.

From **certificate programs** to **Master's degrees** at Berkeley College, **stackable credentials** can expand your career opportunities and increase your earning potential.

Your drive. Our degrees.

Our degree and certificate programs are developed with input from advisory boards of industry experts to ensure that you learn the skills today's employers look for, including cutting-edge technologies like artificial intelligence (AI) and business analytics. Many programs include:

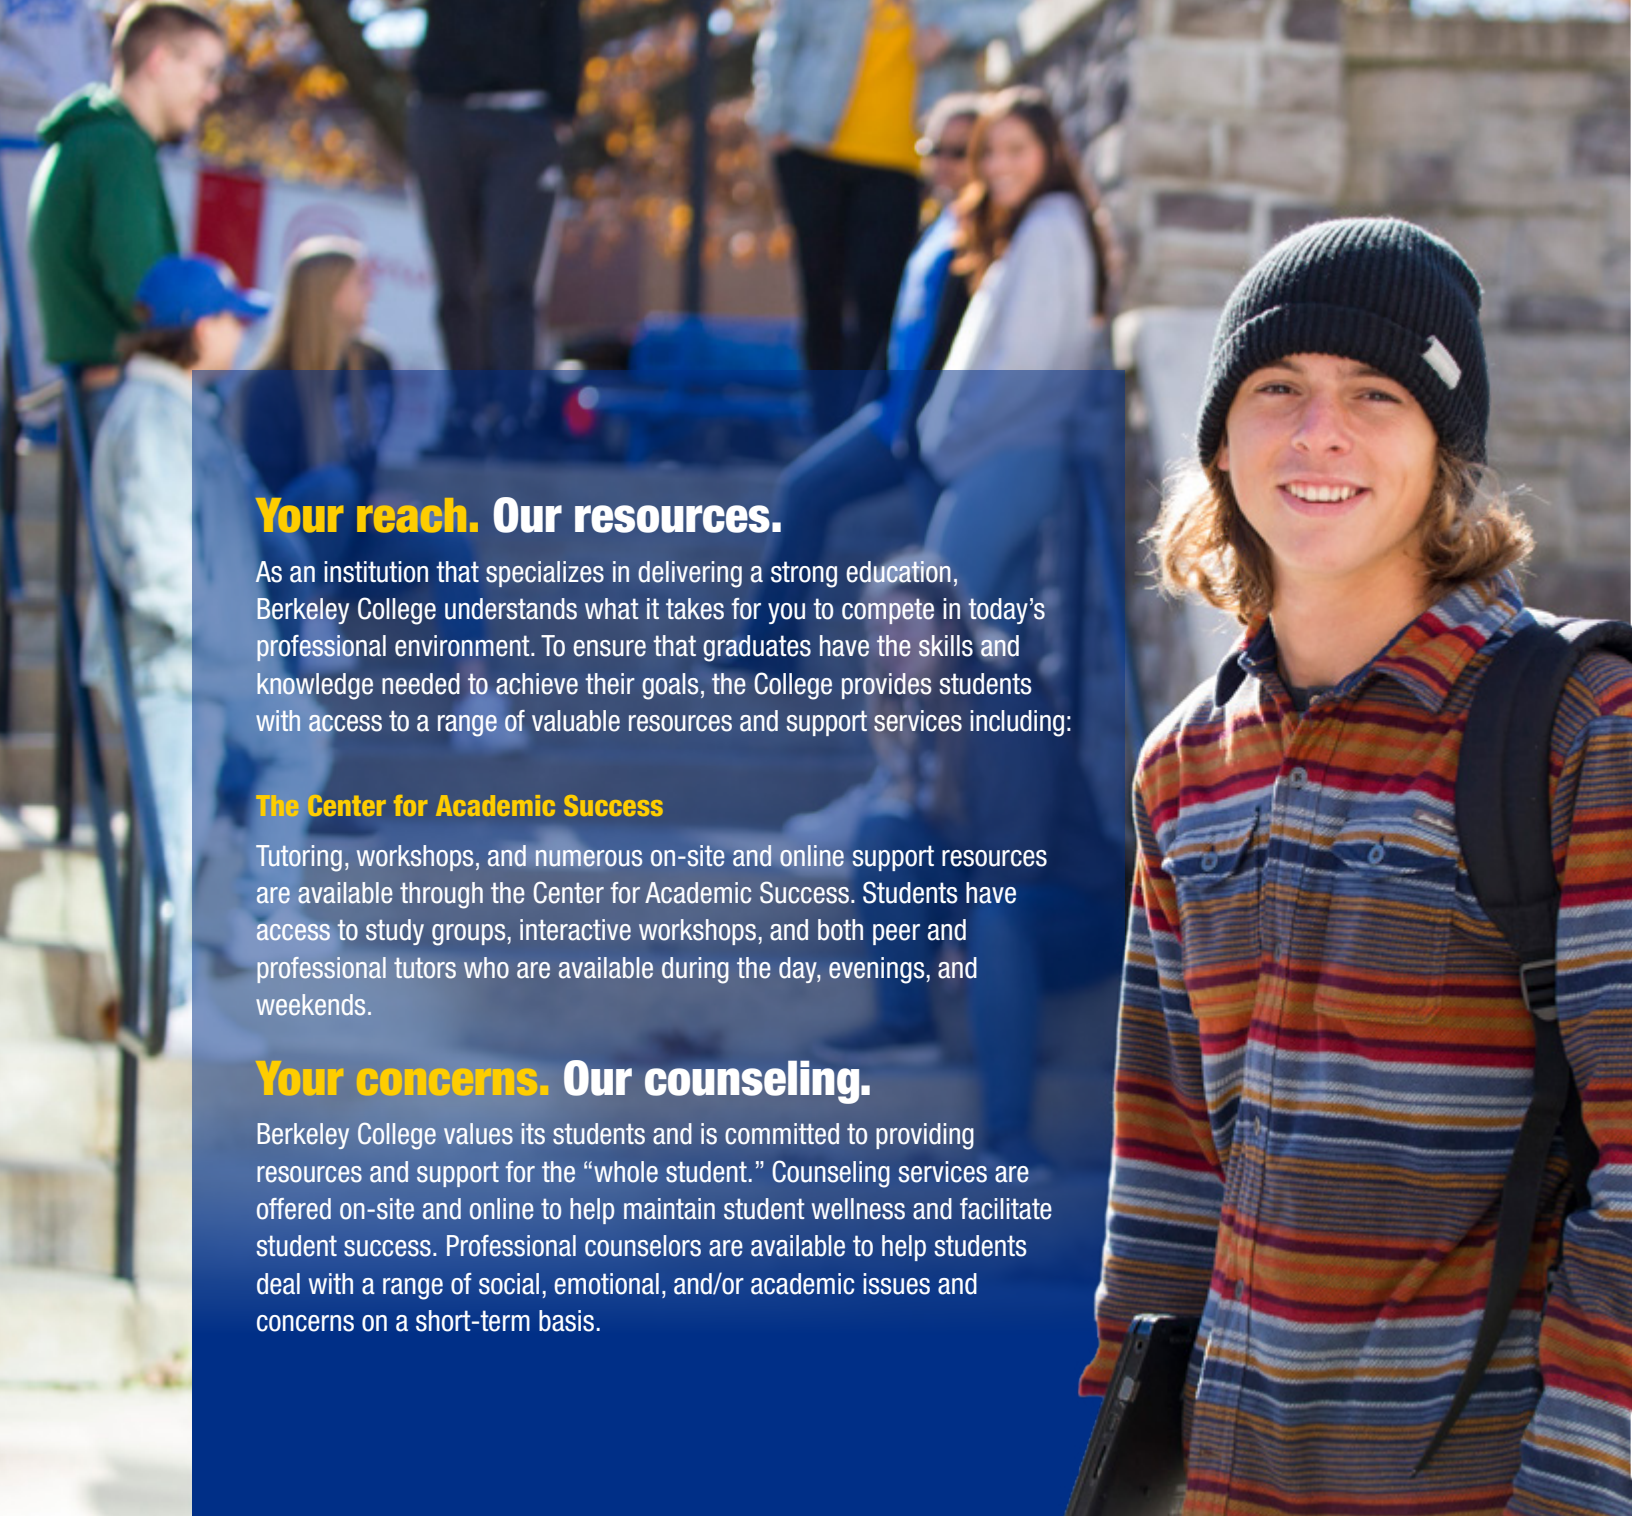

- **An internship, practicum, or job-related assignment** where you can apply what you've learned and gain valuable career experience*
- **Concentrations in specific areas** (made up of focused elective courses) to help increase your marketability to employers

Your progress. Our professors.

You'll learn to succeed from those who already have. Professors are chosen for their excellent academic credentials and their relevant professional experience, which they share in the classroom. With a 17:1 student-to-faculty ratio**, you'll benefit from their close personal attention.

*Continuing Education certificate programs are not eligible

** U.S. DOE 2024 Enrollment IPEDS Survey (Integrated Postsecondary Education Data System)

Your reach. Our resources.

As an institution that specializes in delivering a strong education, Berkeley College understands what it takes for you to compete in today's professional environment. To ensure that graduates have the skills and knowledge needed to achieve their goals, the College provides students with access to a range of valuable resources and support services including:

The Center for Academic Success

Tutoring, workshops, and numerous on-site and online support resources are available through the Center for Academic Success. Students have access to study groups, interactive workshops, and both peer and professional tutors who are available during the day, evenings, and weekends.

Your concerns. Our counseling.

Berkeley College values its students and is committed to providing resources and support for the "whole student." Counseling services are offered on-site and online to help maintain student wellness and facilitate student success. Professional counselors are available to help students deal with a range of social, emotional, and/or academic issues and concerns on a short-term basis.

Your aspirations. Our inspiration.

The Berkeley College Honors Program

The Berkeley College Honors Program is a selective interdisciplinary program that gives students the opportunity to study program-related topics in greater depth than is possible in the regular degree programs.

“I feel like some colleges see you as a number. Berkeley College actually sees you as a person. Counseling and Career Services will reach out to you before you even ask. I find Berkeley welcoming and innovative.”

– Alyssa Collazzo

Your experience. Our expertise.

A Berkeley College education involves learning that takes place both in and out of the classroom. In addition to regularly scheduled guest speakers, opportunities for educational excursions exist within just a few miles of each campus. Classes have visited destinations such as the United Nations, the New York Stock Exchange, fashion showrooms and merchandising centers, and other program-related facilities.

Berkeley also offers a wide range of clubs and co-curricular activities on campus and online as well as numerous opportunities for community service. Intercollegiate teams compete in soccer and basketball. Participation is encouraged and promotes a strong sense of purpose, community, and achievement and allows students to build leadership skills.

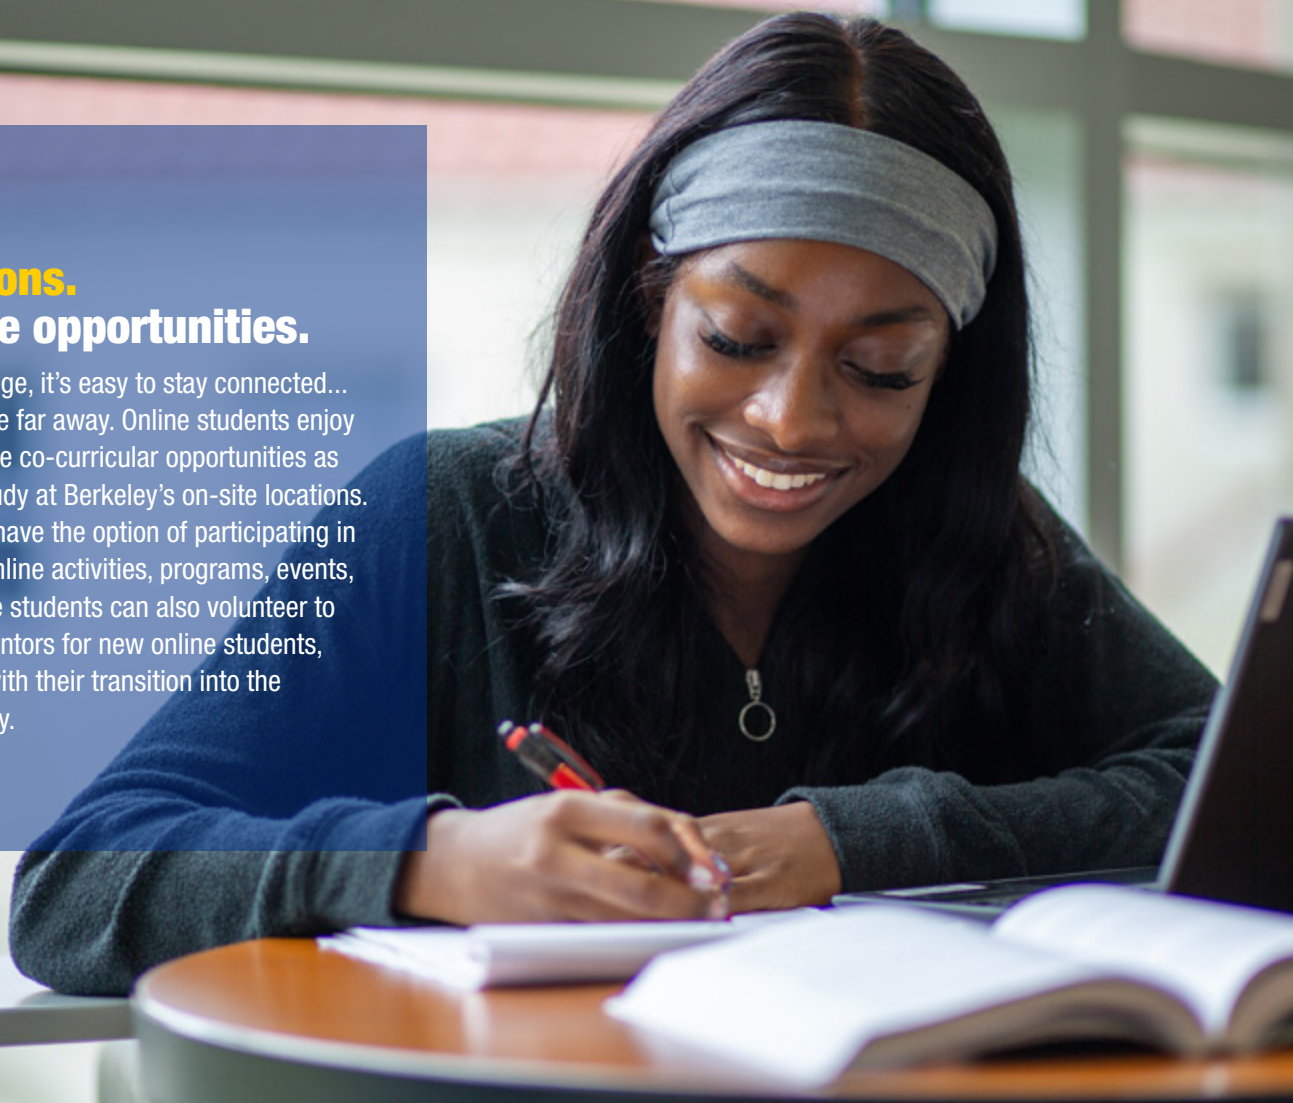

Your exposure. Our environment.

The diversity of the student body at Berkeley College enhances the educational experience and contributes to the cultural enrichment of the community. It also helps prepare students to enter the global business community with a better understanding of the similarities and differences among cultures. Berkeley College sponsors many identity-based and multicultural events to promote this understanding and to help students form relationships that can last far beyond their college years.

Your options. Our online opportunities.

At Berkeley College, it's easy to stay connected... even when you're far away. Online students enjoy many of the same co-curricular opportunities as students who study at Berkeley's on-site locations. Online students have the option of participating in all on-site and online activities, programs, events, and clubs. Online students can also volunteer to become peer mentors for new online students, assisting them with their transition into the online community.

“The environment of the school allows for a lot of one-on-one with professors. They’re very experienced and know how to get the best out of us. With the three-semester schedule I’ll be able to graduate a year early!”

– Hector Castro

Your achievements. Our accolades.

Berkeley College has consistently received important distinctions from media authority *U.S. News & World Report*.

- **Best Online Bachelor's Degree Programs** – for the 13th consecutive year!
- **Best Online Bachelor's Degree Programs for Veterans** – for the 13th consecutive year!
- **Best Online Bachelor's Degree Programs – Business**

Berkeley has also earned multiple recognitions for:

- **Best Online MBA Programs**
- Inclusion on the list of **America's Top Online Colleges** of 2026 by *Newsweek* and Statista, a global business data platform.

Your hopes. Our help.

Berkeley College works to make an excellent education affordable. A wide range of grants and scholarships are available to those who qualify.

- More than **\$26 million** in Berkeley College institutional aid was provided to qualified students during the 2024-2025 award year—in addition to federal and state financial aid.
- A **tuition freeze** is available for students who meet continuous enrollment requirements.
- **The Graduation Incentive Program:** For every four courses completed, eligible students may take an additional course at no charge in their final semester.**

Visit BerkeleyCollege.edu/Aid for a full listing of grant and scholarship opportunities.

**Applies to Associate's and Bachelor's degree programs.

“I was a very shy person in high school, but I was able to find my voice at Berkeley College. It felt like home because of the close personal attention from my professors. I’ve really grown and found confidence in myself that wasn’t there before.”

— Beverly Munoz

Learn From **Experienced Professionals**

Berkeley faculty members are chosen for their **excellent academic credentials** and **relevant professional experience**. Equally important, however, is their passion for teaching and their commitment to providing students with close, individual attention. At Berkeley, professors and students truly get to know each other through **personal dialogue** and **interaction**. Here's a closer look at some of **our finest**:

Andrea Kennedy, MEd

Lead Faculty, Fashion Merchandising and Management

Larry L. Luig School of Business®

Education:

BA, Parsons School of Design

MEd, Manhattanville College

Advanced Certificate in Sustainability, Manhattanville College

Zankel Fellow for Climate Change Education, Columbia University

Professor Kennedy is the lead of the Fashion Merchandising and Management Department at Berkeley College. A fashion and sustainability designer, strategist, sourcing specialist, and educator, she was Vice

President of Sustainability at Material Exchange, where she developed measurable and positive changes in digital material sourcing for fashion and footwear brands, suppliers, and textile agents.

Professor Kennedy has more than 25 years of experience in design, merchandising, product development, sourcing, sustainability and environmental, social, and governance work, including 10 years leading sustainability at Fashionindex, where she consulted with high-profile fashion brands on implementing sustainable practices across all areas of design, production, and sourcing. She spent seven years at LIM College, where she was Associate Chair of Fashion Merchandising and developed and taught all the fashion sustainability courses. She is a Sustainable Apparel Coalition strategic council member, Climate Reality Leader mentor and speaker, and board member at Educators for Socially Responsible Apparel Practices (ESRAP).

Julia Hutchinson, MS

Chair, Graphic Design

School of Professional Studies

Education:

BFA, Bloomfield College

MS, Full Sail University

Professor Hutchinson's passion for education was ignited early on, influenced by her mom, who was also a schoolteacher. Driven by her innate love for technology and creativity, she discovered her natural calling within the college classroom. With over two decades of experience, she is a

seasoned graphic designer, instructional designer, and college professor. Professor Hutchinson specializes in fusing traditional design concepts with new immersive technologies, including artificial intelligence/augmented reality/virtual reality. Her most recent accomplishments involve the creation of the Graphic Design Virtual Metaverse Gallery.

Professor Hutchinson's professional journey includes working as an instructional designer for the School of Dentistry at Rutgers as well as the School of Professional Studies and School of Health Studies at Berkeley College. In her freelance venture, Joule Design Consulting, she creates stunning visuals, brand identities, motion graphics, and social media for various clients.

Barbara Crump, BSN, MSN, PhD

Nursing

School of Health Studies

Education:

BSN, William Paterson University

MSN, Saint Peter's College

PhD, University of Phoenix

Dr. Crump has more than three decades of professional healthcare experience as a staff nurse, charge nurse, nurse practitioner, clinical coordinator, and case manager. She has worked in several leading hospitals and healthcare systems in multiple areas of care, including medical, surgical, orthopedic, hematology, and oncology units. She has been responsible for care coordination, facilitation, education, advocacy, discharge planning, resource management, outcomes management, disease management, and other aspects of nursing care.

Dr. Crump holds multiple certifications, including Adult Nurse Practitioner Certification Examination—American Academy of Nurse Practitioners Certification, Advanced Oncology Certified Nurse Practitioner (AOCNP®)—Oncology Nursing Certification Corporation, and ONS/ONCC Chemotherapy/Immunotherapy certification. She is an active member of the Oncology Nursing Society™ and the American Association of Nurse Practitioners®.

In addition to her professional experience, Dr. Crump has served on several college nursing program faculties and has contributed to multiple educational presentations.

Jason Gulya, PhD

Professor, Division of General Education

Education:

BA, MA, PhD, Rutgers University

Jason Gulya is a Professor of English and Media Communications at Berkeley College. He teaches courses on reading and writing, the humanities, and artificial intelligence (AI). He has worked with colleges and universities all over the world as a consultant and keynote speaker. He focuses on the role of AI in higher education, what AI means for the future of writing and communication, and conceptualizing academic integrity for this new world. Dr. Gulya is the author of several books on

Artificial Intelligence has been featured in *Forbes*, *Business Insider*, and several other major publications. He was named an “Innovator to Watch” by INNOVATE100.

Dr. Gulya was selected as Berkeley College Faculty of the Year in 2020 and served as the Faculty Speaker at the 2021 Commencement ceremony.

“Most of my classes are very small, so professors are able to give us a lot of attention. They’re very helpful—even with areas outside of the classes they teach. That’s something you might not get at another college. And I really love my studio classes where we work on design projects from the very beginning.”

— Karina Joshi

Academic Programs

Berkeley College offers programs of study under a semester calendar consisting of fall, winter, and spring semesters. The College offers the following degrees:

- MBA (Master of Business Administration)
- MSN (Master of Science in Nursing)
- BBA (Bachelor of Business Administration)
- BSN (Bachelor of Science in Nursing)
- BS (Bachelor of Science)
- BFA (Bachelor of Fine Arts)
- AAS (Associate in Applied Science)

The College also offers certificate programs with the option to transfer credits toward a degree. Shorter certificate programs and Continuing Education programs are also available.

Berkeley College is structured into three schools:

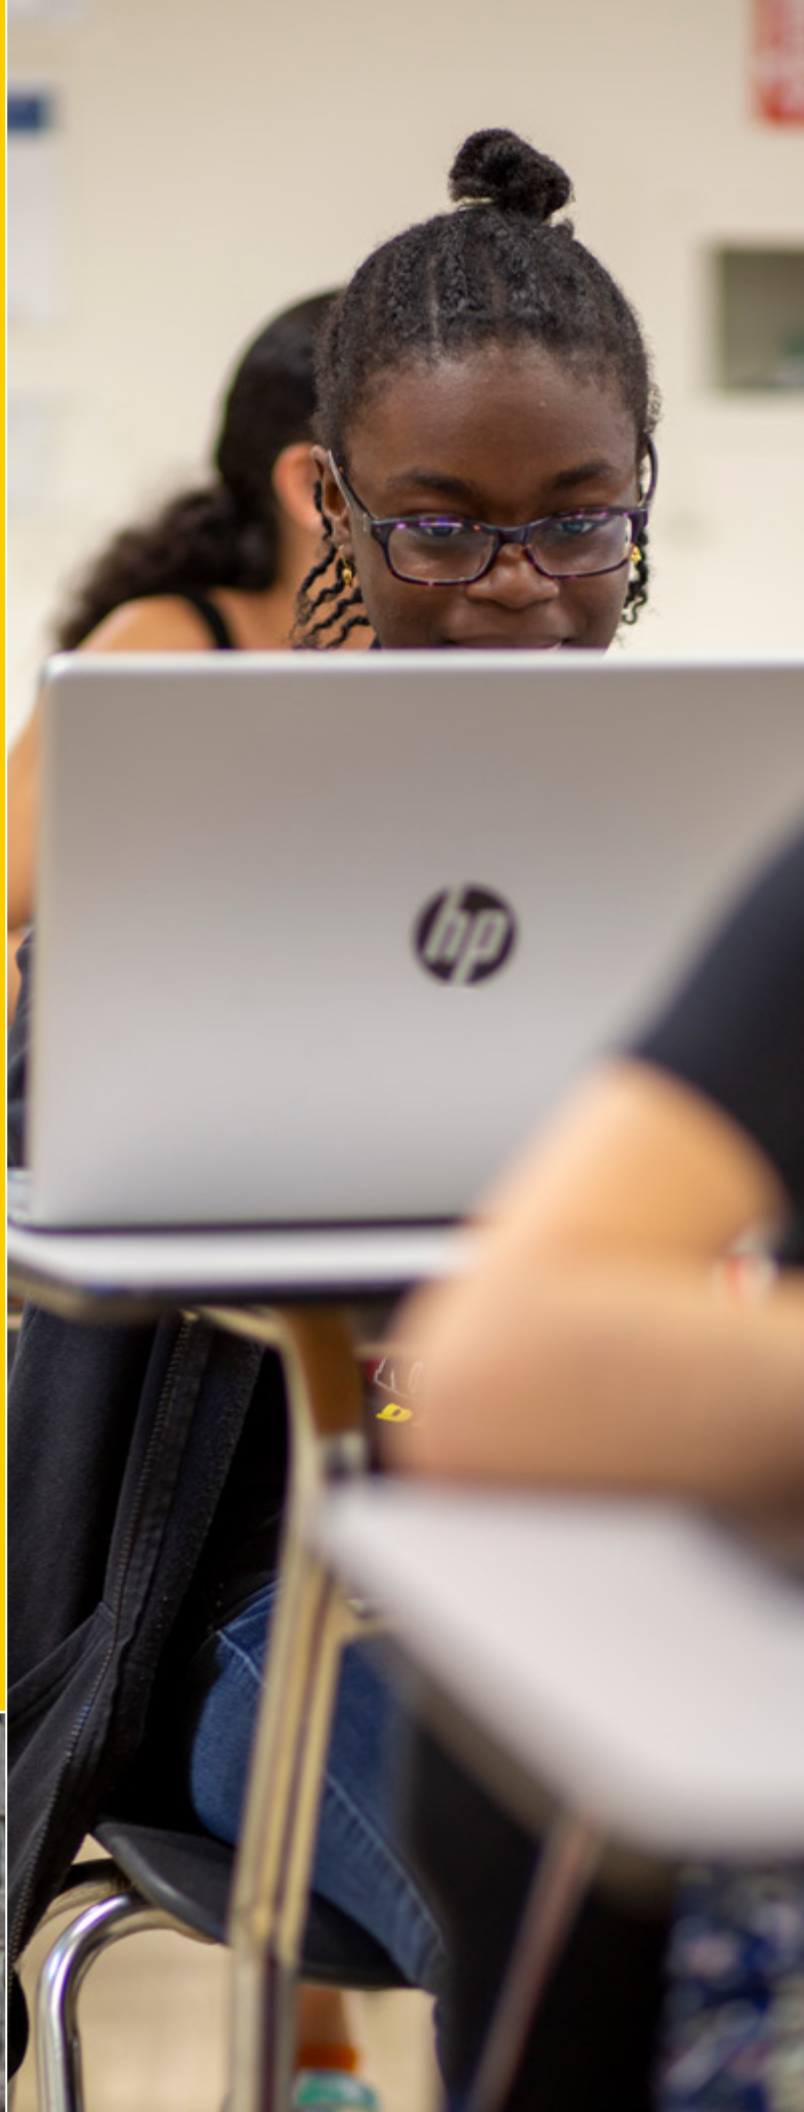

- Larry L. Luig School of Business®
- School of Health Studies
- School of Professional Studies

Larry L. Luig School of Business®

With a commitment to a career-focused education, the Larry L. Luig School of Business helps prepare students for the professional business world. A wide range of rigorous academic programs is developed and constantly updated to meet today's rapidly changing global business environment.

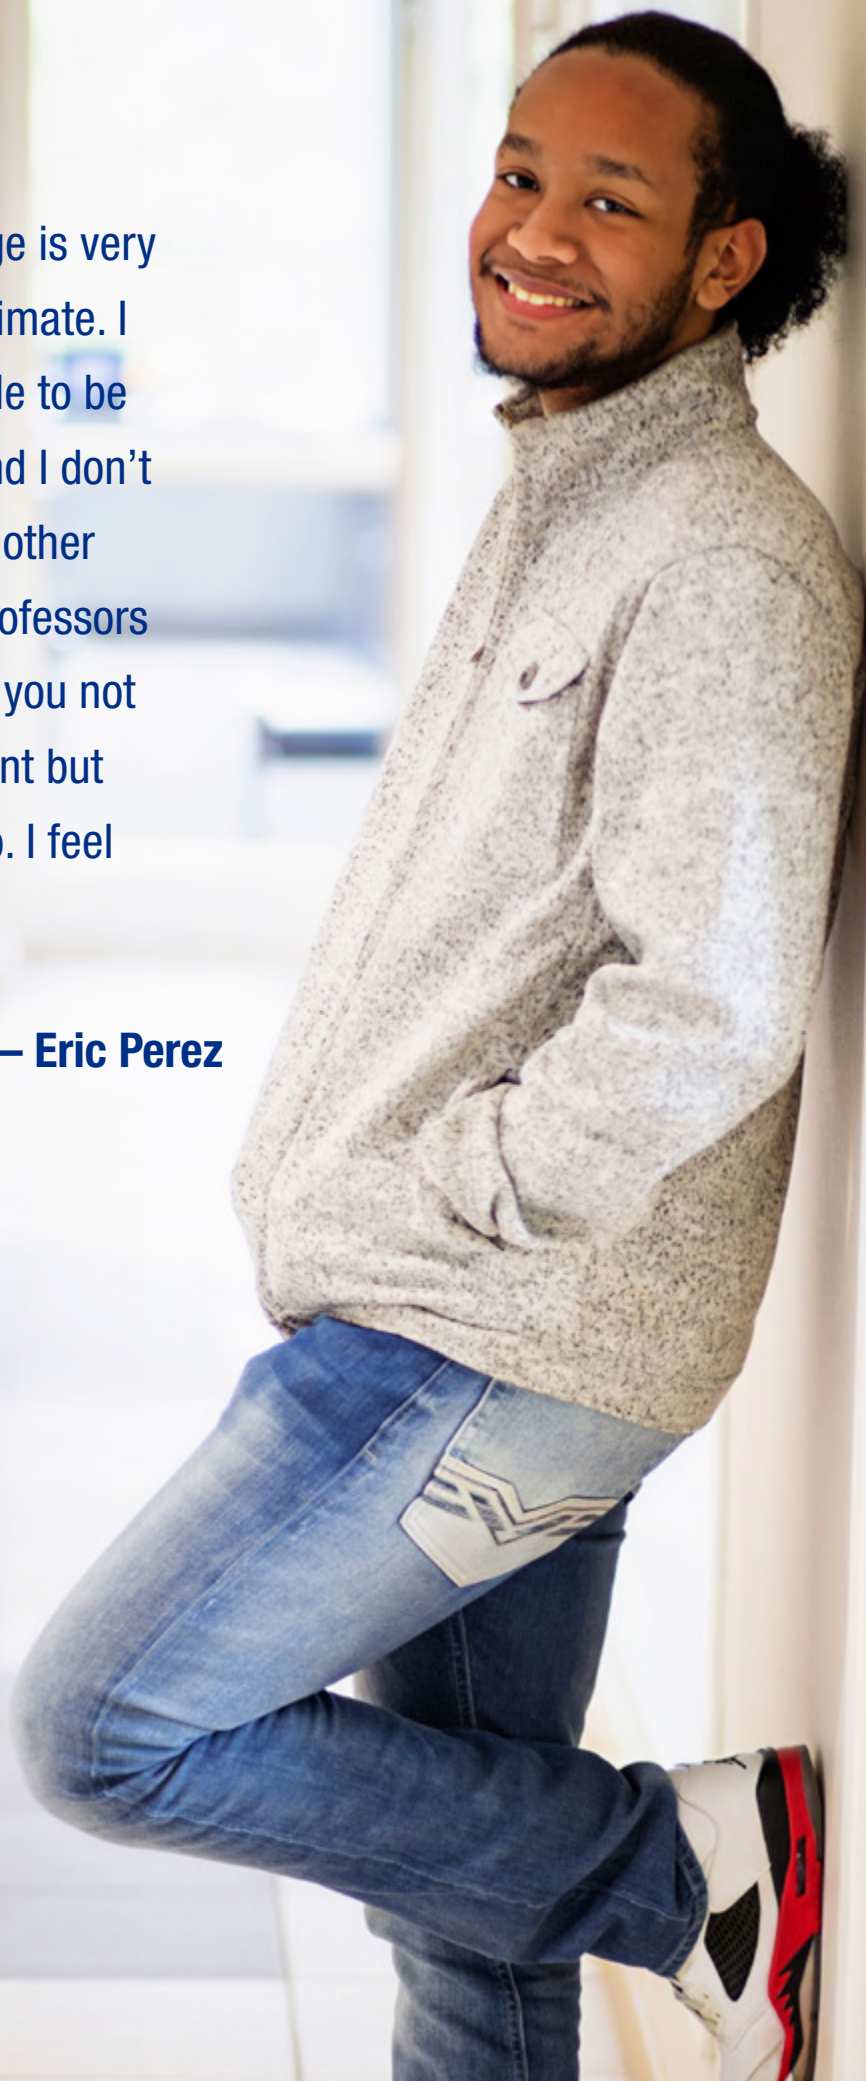

Academic Programs

- Accounting
- Business Analytics
- Fashion Merchandising and Management
- Financial Services
- General Business
- Health Services Management
- Information Technology Management
- International Business
- Management
- Marketing
- Master of Business Administration (MBA) in Management

“Berkeley College is very inviting and intimate. I feel like I’m able to be myself here, and I don’t feel like just another student. The professors are invested in you not only as a student but as a person too. I feel right at home.”

– Eric Perez

School of Health Studies

The School of Health Studies provides outstanding career-focused education in some of today's most in-demand healthcare professions. In-depth classroom instruction combines with practical, hands-on learning to prepare students with the knowledge and skills to enter rewarding careers in a range of roles in various healthcare-related facilities and organizations. Clinical students train with modern medical devices and technology in healthcare environments where they learn current industry practices and procedures.

- Health Sciences
- Health Services Administration - Medical Insurance, Billing, and Coding
- LPN to BSN
- Medical Assistant
- MSN (Master of Science in Nursing)
- Patient Care Technician
- Practical Nurse
- Sterile Processing Technician
- Surgical Technology

Division of General Education

The Division of General Education offers courses in the humanities, social sciences, English, mathematics, and science. These courses emphasize critical and independent thinking, effective reading and writing, ethical responsibility, and cultural literacy in a global context. In addition, these courses add value to the specialized, career-focused business, health, or professional studies training provided in the degree programs.

Berkeley College students benefit from a wide array of general education and elective courses, ranging from fundamental classes in areas such as writing, literature, mathematics, and psychology to the more innovative, interdisciplinary curricula of courses like Histories, Mysteries and Scandals in 20th Century America; Police and Society; The Art of Film; Forensic Psychology; Human Sexuality; Mind and Body; World Religions; and The Ethics of Sports. While they vary in content, each course in the Division of General Education is dedicated to cultivating a more critically engaged, self-directed, and civic-minded student.

School of Professional Studies

The School of Professional Studies provides the necessary education to prepare students for success in careers requiring specialized training. The School of Professional Studies offers courses that give students the in-depth knowledge and latest skills required to excel in professional environments.

- 3D Digital Visualization
- Graphic Design
- Interior Design
- Justice Studies - Criminal Justice
- Legal Studies
- Media Communications

For complete information on Berkeley's areas of study, visit BerkeleyCollege.edu.

Four-year Combined BBA/MBA Option

This special program allows high-achieving students to complete both a Bachelor's and Master's degree in as few as four calendar years, assuming full-time enrollment in three semesters per year.

Not all programs are offered for completion at each campus or through Berkeley College Online®. Please review the academic program pages (BerkeleyCollege.edu/academics.htm) for information on where each program is offered. Additionally, students may be required to take some courses at another campus or online. The Career Development and Internship courses are only offered online.

“I’m doing great! My professors are very flexible and help if I ever have a problem. My classmates and everyone at the Center for Academic Success (CAS) are very helpful too. My internship also helped prepare me for the professional world.”

– Sadie Vargas

Concentrations*

Concentrations focusing on in-demand areas of specialization allow you take a series of related elective courses that can help enhance your marketability in the professional world and stand out to potential employers. Concentrations will be noted on your transcript upon completion of your degree.

Financial Aid Can Make It Happen

Institutional Aid

During the 2024-2025 award year, more than \$26 million in direct Berkeley College institutional aid was awarded. This amount is in addition to any federal and state aid. A range of grants and scholarships are available to qualified students. You can learn more about the most up-to-date offerings, which include:

Achievement Award

Incoming full-time and part-time students enrolled in a degree program with a 2.50 grade point average (GPA) or higher will be considered for an award. Full-time students can receive up to \$8,000 per standard academic year, based on GPA and date of application submission or readmitting effective date. Part-time students can receive up to 15% off tuition per standard academic year based on GPA and credit load. Students must maintain a cumulative Berkeley College GPA of 2.50 or higher at the time award renewal takes place, which generally occurs every two semesters. Admission application submitted or readmitting effective date on or before early deadline date for each term:

Winter 2026 term completed before October 6, 2025

Spring 2026 term completed before February 2, 2026

Honors Scholarship

2026 high school graduates who are accepted to the Honors Program may receive up to a half-tuition scholarship based on their high school GPA of 3.50 or higher and review of transcript by the Honors Committee. Students must meet all federal and state grant application deadlines each year and receive a valid Institutional Student Information Report (ISIR). (If a student fails to meet the state deadlines and is now not eligible where they would have ordinarily received the award, calculation of the honors award will be less than that amount.)

Students must maintain full-time, continuous, consecutive term enrollment and maintain a cumulative Berkeley College GPA of 3.00 or higher at the end of each award year to retain their scholarship. Students who initially enroll in an Associate's degree program and continue into a Bachelor's degree program may continue to renew until completion of the Bachelor's degree. Deadline to apply is June 1, 2026.

Presidential Scholarship

Each campus awards one student a full-tuition scholarship each academic year. All other eligible students may receive up to a 30% tuition scholarship. All awards are based on high school GPA. Students must maintain a full-time, continuous, consecutive term enrollment, a cumulative 3.50 GPA, and satisfactory academic progress. First-time students enrolled in a degree program must complete all admissions requirements by December 15, 2025 to be considered for this scholarship.

Alumni Legacy Scholarship

A scholarship up to 30% may be awarded to full-time students in a degree program who have had at least one parent, grandparent, or legal guardian graduate from Berkeley College. Students must maintain full-time, continuous, consecutive term enrollment, and maintain a cumulative Berkeley College GPA of 2.50 or higher at the end of each award year to retain their scholarship.

Berkeley College Grant

The amounts for this grant vary based on need and enrollment status. Students must maintain a cumulative Berkeley College GPA of 1.50 or higher at the end of each award year to retain their scholarship and maintain satisfactory academic progress.

Federal and State Aid

Financial assistance programs are available from federal and state sources, including:

- Federal Pell Grants
- Federal Supplemental Grants
- New York Tuition Assistance Program (TAP)
- New Jersey Tuition Assistance Grant (TAG)
- Low-interest student and parent loan program

If you wish to apply for financial aid, you must complete the Free Application for Federal Student Aid (FAFSA). You may apply electronically at fafsa.gov. The Financial Aid Office can help answer questions regarding your options.

Berkeley College offers a number of grants and scholarships. With the exception of international and need-based grants, Berkeley College grant and scholarship awards are applied after all federal grants, Post-9/11 GI Bill® amounts, state grants, and state scholarships have been applied, not to exceed the remaining tuition amount. Berkeley College need-based grant awards are determined after all federal grants, Post-9/11 GI Bill® amounts, state grants, state scholarships, Berkeley College grants and scholarships (not need-based), outside resources (such as private scholarships, VA benefits other than Post-9/11 GI Bill®, tuition reimbursement, etc.), and federal subsidized loans have been applied. Some Berkeley College grants and scholarships may not be combined. Berkeley College reserves the right to add, discontinue, or modify its programs and policies at any time. Modifications subsequent to the original publication of this document may not be reflected here. For up-to-date and detailed information, please visit BerkeleyCollege.edu and view our catalogs at BerkeleyCollege.edu/Aid.

Berkeley College Newark Promise Grant

With the Berkeley College Newark Promise Grant, qualified Essex County, NJ residents may attend the Newark campus as full-time students in certain Associate's degree programs without incurring any loans for tuition and fees. They may also be able to complete a Bachelor's degree online or at the Woodland Park campus without incurring any loans for tuition or fees.

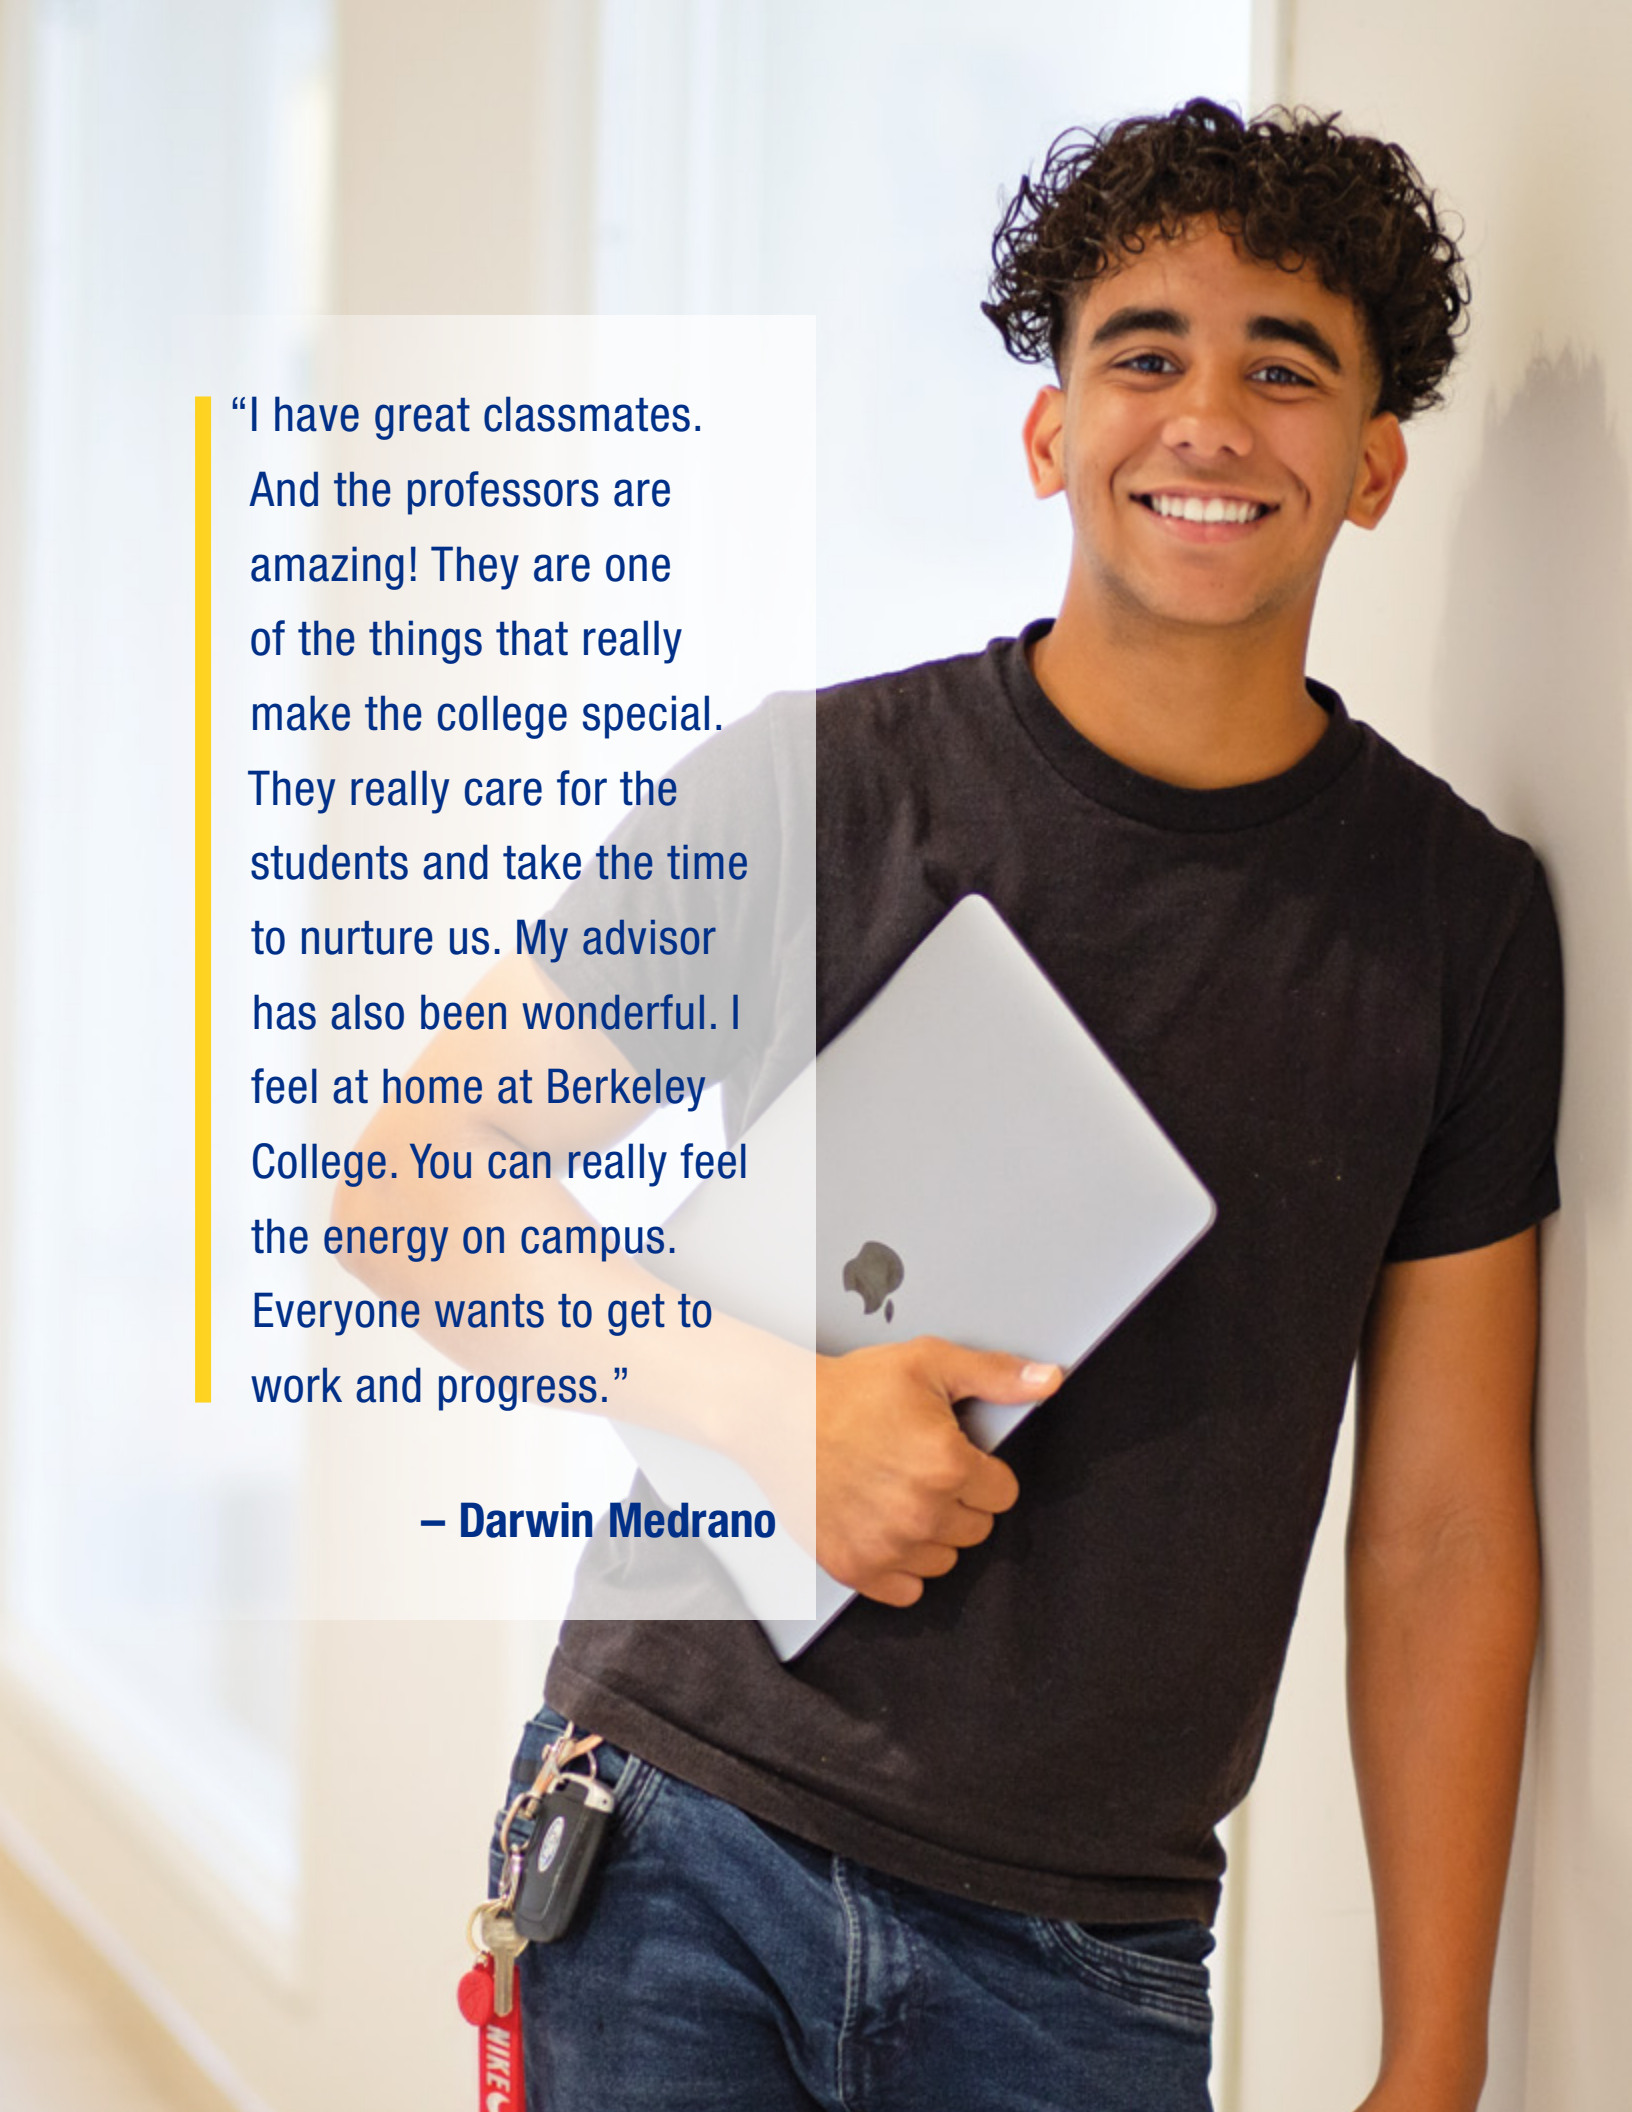

Berkeley College New Jersey Opportunity Grant

With the Berkeley College New Jersey Opportunity Grant, qualified NJ residents may be able to enroll in a full-time Associate's degree program without incurring any loans for tuition and fees.

Berkeley College New York Tuition Relief Grant I and II

With the Berkeley College New York Tuition Relief Grants I and II, NY state residents who meet specific criteria can enroll in Berkeley College degree programs in NYC and may qualify for a reduction in loans or out-of-pocket balances for tuition and fees.

[Visit BerkeleyCollege.edu/Aid](https://www.BerkeleyCollege.edu/Aid) for a full listing of grants and scholarship opportunities.

“I have great classmates. And the professors are amazing! They are one of the things that really make the college special. They really care for the students and take the time to nurture us. My advisor has also been wonderful. I feel at home at Berkeley College. You can really feel the energy on campus. Everyone wants to get to work and progress.”

– Darwin Medrano

Accreditations and Approvals

Berkeley College is accredited by the Middle States Commission on Higher Education, 1007 North Orange Street 4th Floor, MB #166, Wilmington, DE 19801; 267-284-5011. Accreditation was last reaffirmed in June 2018. The Middle States Commission on Higher Education is an institutional accrediting agency recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation.

Berkeley College is authorized by the Secretary of Higher Education of the State of New Jersey to offer programs in New Jersey leading to the degrees of Master of Business Administration (MBA), Master of Science in Nursing (MSN), Bachelor of Fine Arts (BFA), Bachelor of Science (BS), Bachelor of Business Administration (BBA), Bachelor of Science in Nursing (BSN), Associate in Science (AS), and Associate in Applied Science (AAS), as well as certificates in Medical Assistant; Patient Care Technician; Practical Nurse; and Sterile Processing Technician.

Berkeley College is authorized by the New York State Board of Regents to offer programs in New York leading to the degrees of Master of Business Administration (MBA), Bachelor of Business Administration (BBA), Bachelor of Fine Arts (BFA), Bachelor of Science (BS), Associate in Science (AS), and Associate in Applied Science (AAS).

Many Berkeley College programs of study are approved for veterans and their eligible dependents under the GI Bill®, and Berkeley College is an approved participant of the Department of Veterans Affairs Yellow Ribbon program. The College is also certified to enroll foreign students under the Student and Exchange Visitor Program (SEVP).

The Larry L. Luing School of Business® at Berkeley College has received specialized accreditation for its business programs through the International Accreditation Council for Business Education (IACBE) located at 11960 Quivira Road in Overland Park, KS 66213. For a list of accredited programs please view our IACBE member status page.

The Interior Design program offered by Berkeley College New Jersey at the Woodland Park Campus leading to the Bachelor of Fine Arts degree is accredited by the Council for Interior Design Accreditation, www.accredit-id.org, 206 Grandville Avenue, Suite 350, Grand Rapids, MI 49503; telephone: 616-458-0400.

The Master of Science in Nursing – Family Nurse Practitioner Specialization program at Berkeley College is accredited by the Commission on Collegiate Nursing Education (www.aacnnursing.org/ccne-accreditation).

The LPN to BSN program is accredited by the New Jersey Board of Nursing (124 Halsey Street, Newark, NJ 07102; telephone: 973-504-6430; website: www.njconsumeraffairs.gov/nur/Pages/default.aspx).

The Practical Nurse program is approved by the New Jersey Board of Nursing (124 Halsey Street, Newark, NJ 07102; telephone: 973-504-6430; website: www.njconsumeraffairs.gov/nur/Pages/default.aspx).

The Medical Assistant certificate program is accredited by the Commission on Accreditation of Allied Health Education Programs (9355 – 113th Street North, #7709, Seminole, FL 33775; telephone: 727-210-2350; website: www.caahep.org) upon the recommendation of the Medical Assisting Education Review Board (MAERB).

The Surgical Technology Program at Berkeley College has had its accreditation by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) withdrawn, effective January 16, 2025. As a result, this program is no longer recognized as meeting CAAHEP standards. Please note that all currently enrolled Surgical Technology students, as of January 16, 2025, are considered to be attending a CAAHEP accredited program.

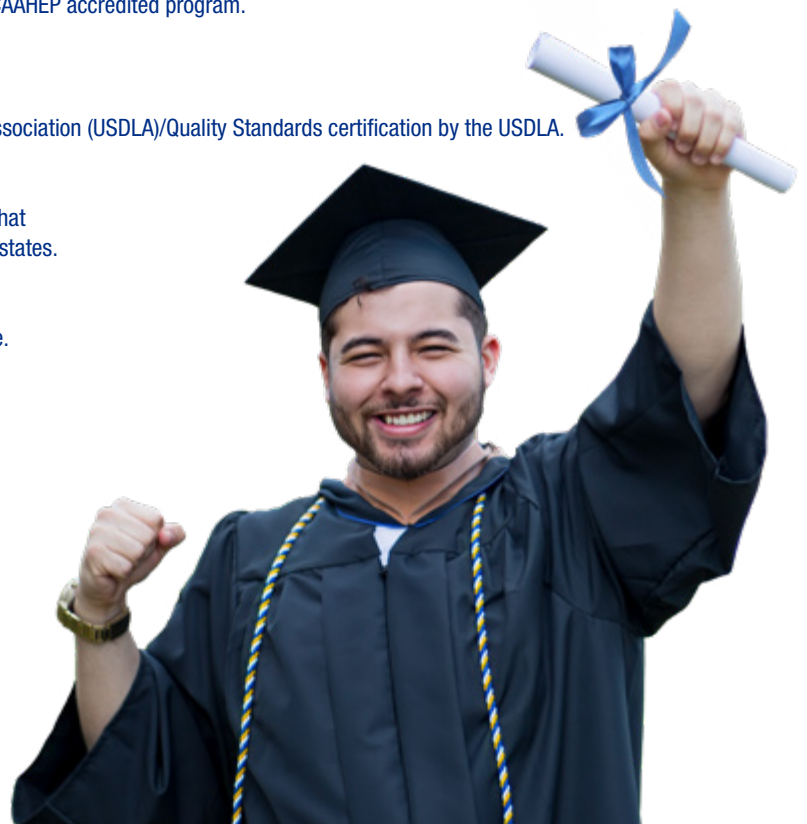

For additional information, please visit the CAAHEP website at www.caahep.org.

Berkeley College Online® has been awarded United States Distance Learning Association (USDLA)/Quality Standards certification by the USDLA.

Berkeley College New Jersey and Berkeley College New York participate in the State Authorization Reciprocity Agreements (“SARA”). Colleges and universities that are SARA members may provide online education to residents of SARA member states. For more information, see the Online Programs: State Authorization page.

Approval documents are available for review upon request to the Provost’s Office.

To view accreditation and regulatory information on the website go to <https://berkeleycollege.edu/about/accreditation-regulatory/index.html>

Your career. **Our commitment.**

Berkeley College views career development and industry exploration as critical elements of education. Career counseling begins in the first semester with an orientation to the Career Services Department. Career specialists maintain contact with students throughout their studies at Berkeley, providing them with various forums to explore career opportunities. Ultimately, Career Services will assist with resume and interview preparation and work with each student to pursue full-time positions that are best suited to students' majors, interests, and abilities. Berkeley graduates receive free career assistance.*

*Continuing Education Certificate programs are not eligible

A young woman with dark hair, glasses, and a black tank top is smiling and holding a laptop. She is standing in front of a white wall with a window in the background.

“The Berkeley College environment is very friendly, and the classes are small, so you really get to know your professors. I also hope to be able to graduate in just three years. My advice is to take your time and do your research on colleges. Visit the campus and make sure you love the environment and feel like a part of the community.”

– **Yazmina Wahby**

Take the Next Step

In Person

Visit the Berkeley College campuses to get an up-close view of our career-focused education. Admissions representatives will arrange a tour and answer all of your questions. During your visit, you'll learn about:

- Programs of study
- Scholarships and financial aid
- Comprehensive support services and resources
- Career Services
- Student Development and Campus Life
- Online course options

On the Web

BerkeleyCollege.edu is packed with information about every aspect of preparing for a career at Berkeley College. From researching program and course details to taking virtual tours of all of our campuses, it's a great place to begin your journey.

Virtual Interview

We encourage you to visit one of our campuses. If you are unable to visit we offer virtual interviews for your convenience.

On Social Media

Learn about the Berkeley College experience directly from the Berkeley community. Stay connected to hear what students have to say, discover our activities and events, and much more.

Apply to Berkeley College

- Online at BerkeleyCollege.edu/Apply
- By mail or in person

You will be asked to submit:

- A non-refundable \$50 application fee
- A high school transcript or the equivalent

In evaluating candidates, the Committee on Admissions takes into consideration your individual interests, your motivation to succeed in a chosen profession, and prior academic achievement. Basic requirements for admission include graduation from an accredited high school or equivalent and an entrance exam or SAT/ACT scores. A personal interview is strongly recommended.

Call 800-446-5400 to schedule an appointment with an admissions representative to discuss your educational objectives and career plans. Berkeley College encourages you to apply as soon as possible and wishes you much success.
